

TOW MASTER

Montana

Exhibition

The Montana

The Montana has its wheels inboard of the body in wheel boxes. It has a 3 metre lift up canopy with a fold out personnel step either side of the wheel box. It is ideal for those wanting a lower deck height or to restrict the number of people entering the unit.

Standard Features

- 3 metre lift up canopy
- Personnel door
- Recessed road lights
- 2 personnel steps
- Logo board
- Solid roof
- Spare wheel

Internal Dimensions:

Length	Width	Height
